

## **Do Now Procedures**

- Do Nows are completed in the first 5 minutes of class.
- Students who enter and immediately get started on their Do Nows will receive a stamp. Having a stamp is the only way to earn 100% on a Do Now.
- All answers to the Do Nows will be given before the Do Now is collected, graded and put in the gradebook.
- Students are responsible for all Do Nows. They are given the Do Now sheet on the first day of school that week and it is due on the last day of school each week.
- Pencils may only be obtained and sharpened during the Do Now. No pencils will be distributed after that time.
